Introduction

Hello! Welcome to the Uitsmijter-Styleguide.
This is a brief introduction about how colors and typos are used within the Uitsmijter project.

Please feel free to collaborate with the project on GitHub.

Colors

Uitsmijter was two main colors: Orange and red. Additional Grey might be found on backgrounds and slides.
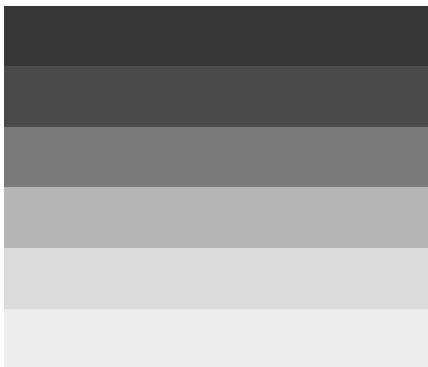

#FF9E00	#FF1E00	#7A7A7A
$orange	$red	$grey
